now in its third edition women politics and public policy continues to incorporate uniquely canadian perspectives on the intersectionality of feminism womenas politics and public policy making this third edition balances historical content and contemporary politics and offers completely updated statistical data and the latest directions in public policy highlighting womenas politics and policy advocacy in canada this comprehensive volume serves students of political science and womenas studies as well as those studying sociology history law and social work this core text for second and third year students of political science and womenas studies has been extensively updated to reflect the most current debates research and data on contemporary issues such as gender politics and equality lgbtq issues global feminist campaigns such as the metoo and timeas up movements the impact of digital generations on politics

and the impacts of policy on minority and marginalized women

with attention to the ways in which new reproductive technologies facilitate the gradual disembodiment of reproduction this book reveals the paradox of women's reproductive experience in patriarchal cultures as being both and often simultaneously empowering and disempowering a rich exploration of birth appropriation in the west new reproductive technologies and disembodiment investigates the assimilation of women's embodied power into patriarchal systems of symbolism culture and politics through the inversion of women's and men's reproductive roles contending that new reproductive technologies represent another world historical moment both in their forging of novel social relations and material processes of reproduction and their manner of disembodiment of women in unprecedented ways a disembodiment evident in recent visual and literary popular and academic texts this volume locates the roots of this disembodiment in western political discourse a call to feminist political theory to re remember the material dimensions of bodies and their philosophical significance new reproductive technologies and disembodiment will appeal to scholars of sociology gender studies political and social theory and the study of science technology and health

canadian parties in transition examines the transformation of party politics in canada and the possible shape the party system might take in the near future with chapters written by an outstanding team of political scientists the book presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy the fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors the new material covers topics such as the return to power of the liberal party voting politics in quebec women in canadian political parties political campaigning digital party politics and municipal party politics

rethinking feminist history and theory considers the past present and future of feminist history and theory emphasizing how feminism has influenced the histories of gender class and labour and their intersections this vibrant collection inspired by the work of historian and women's studies scholar joan sangster features essays from academics across multiple disciplines highlighting the dynamism of feminist historical scholarship in canada the book explores questions such as the following how has women's resistance and radicalism been expressed lived represented and repressed over the past century how do we research these phenomena how do we situate feminism in relation to other movements for egalitarian social change contributors explicitly address these recurring themes aiming to chart new directions for future research and teaching while primarily canadian focused the collection includes global perspectives with contributions from scholars in chile finland sweden and the uk the essays emphasize the importance of cross disciplinary collaboration incorporating insights from labour studies political economy anthropology legal studies and feminist theory ultimately rethinking feminist history and theory engages deeply with sangster's rich and wide ranging work to understand and interpret women's experiences it seeks to inspire future scholarship and

teaching in feminist history and theory showcasing the ongoing relevance and adaptability of feminist perspectives

provinces is now established as the most comprehensive yet accessible exploration of canadian provincial politics and government the authors of each chapter draw on their particular expertise to examine themes and issues pertaining to all the provinces from a comparative perspective the book is organized into four major sections political landscapes the state of democracy in the provinces political structures and processes and provincial public policy the third edition features eleven new chapters including province building provincial constitutions provincial judicial systems plurality voting in the provinces voting patterns in the provinces provincial public service provincial party financing provincial health policy social policy climate change and labour market policy all other chapters have been thoroughly revised and updated

the study of political behaviour in canada has often focused largely on parties and voting citizen politics seeks to expand that definition of political behaviour to encompass behaviouralism as a method of inquiry as well as a focus of inquiry which includes political culture public opinion voting and elections political participation leaders and activists and interest groups and social movements in the past fifteen years since a canadian political behaviour text was last published the field has changed immensely and this collection reflects these changes women are examined as independent political actors the importance of the media to voting and elections is investigated the uniqueness of immigrant and ethnic minority participation in canadian politics is discussed and new social movements are examined each section begins with an essay that synthesizes the important research and arguments that inform each subfield these are followed by two or more essays of original contemporary research which inform students of critical new approaches and provide examples of how research in the field of political behaviour is conducted the editors begin the volume with an essay that discusses what political behaviour is how the study is done and why it is important as a field of study and they end the book with an examination of the state of the field in canada today and an assessment of tomorrow's challenges

women's participation in politics matters very much yet in canada women mps have been stuck at a level of roughly one fifth since 1993 and stephen harper has fewer women in his government than did brian mulroney although we may believe women are making progress their representation in politics seems decidedly stalled so it comes as no surprise that we hear little about issues of particular interest to women breast cancer violence against women or the poverty of single mothers in this engaging no nonsense and witty book sylvia bashevkin argues that canadians have a profound unease with women in positions of political authority what she calls the women plus power equals discomfort equation she explores the specific reasons why this discomfort is particularly severe in canada bashevkin also evaluates a range of barriers faced by women who enter politics including the media's role in assessing the leadership styles personal appearances and private lives of female politicians in clear accessible terms bashevkin explains concepts such as gender schemas

and media framing in terms of key examples such as belinda stronach and hillary clinton finally bashevkin outlines some compelling solutions to address the stalemate facing women in canadian politics

women and public policy in canada offers a theoretical and topical approach to studying the public policy issues that specifically affect canadian women written by policy experts from across canada this contributed text exposes students to various perspectives and a wealth of expertise topics such as the environment healthcare aboriginal women economic policy anti violence policy immigration and multiculturalism are covered giving students insight into the most prevalent issues regarding women and public policy in canada

daniel macgregor 1803 1854 married christina bullions 1808 1891 in 1830 they emigrated from perth scotland and settled in english river quebec

this revision of the standard work on the subject is designed for introductory courses in canadian politics it explores the characteristics and controversies associated with canada s political structure in addition to covering all of the basic elements brooks asks questions about the quality of canadian democracy

for this new edition james bickerton and alain g gagnon have organized the book into six parts part i covers the origins and foundation of canada as a political entity while part ii focuses on government parliament and the courts part iii examines matters pertaining to federalism and the canadian charter of rights and freedoms part iv casts some new light on electoral politics and political communications and part v examines citizenship diversity and social movements part vi the final section of the book concentrates on a number of political issues that merit special attention on the part of political actors and decision makers namely the evolving relationship between canada and indigenous peoples immigration and refugees environment and climate change and relations between canada and the united states this seventh edition of canadian politics includes 12 new chapters with ten new contributing authors and coverage of six new subjects and is essential reading for students and specialists studying canadian politics

joseph newman parents not listed was born about 1787 he married rachel rabb daughter of william rabb and mary smalley on 12 june 1806 in warren county ohio they moved from ohio to indiana illinois missouri arkansas and finally to texas in 1823 joseph and rachel had 10 children joseph died 15 feb 1831 near egypt wharton county texas rachel died 4 dec 1872 in karnes county texas their descendants have lived in texas kansas missouri nevada california and other areas in the united states

the second edition of women politics and public policy incorporates uniquely canadian perspectives on the intersectionality of feminism women s politics and public policy making after outlining historical contexts and the foundations of feminist theory the text examines topical practical issues offering an

approach that is well suited to both novices and advanced learners extensively updated and revised this comprehensive volume is an essential tool for examining and understanding the many aspects of women's political activity and its relationship to public policy and social change
